## COMMANDER

**Paul Martines, JN**

The squadron is going to be very active this year and we have a lot of events planned. Please read through this issue of the Beachcomber to get all the news and updates. There are several new items on the upcoming calendar that will be of interest to everyone.

I encourage you to take special notice of the information regarding our next fundraiser at McKenna's on August 28. Please try to attend and bring family and friends to support our squadron.

I also hope to see many of our local members at the Fall Conference the last weekend in September. We are the host squadron for the event, so I hope you will make an effort to be there as much as you can.

***Respectfully Submitted: Cdr Paul Martines***

## Executive Officer Report

### **Vessel Safety Report:**

We have 6 Vessel Safety Officers and we have completed 75 Vessel Inspections this year. Jeff Wise reports that he and Don Roman spent Saturday morning, July 29, at Disappearing Island performing additional safety inspections. They were assisted by Sharon Neitzey who canvassed the island sharing information with boaters about our organization.

### **Rules Committee Report:**

A final version of our bylaws has been approved by the Executive Board and was sent to national. Any member who wants a copy can contact Cdr. Paul Martines, Rule Committee Chair,

### **Boat Show Committee Report:**

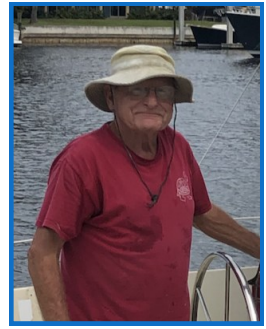

We are working on preparation for the Daytona Boat Show at the Ocean Center Sept. 8 - 10. We will need members to help with the different tasks for our booth (set up, manning during the show, and break down). Please contact Don Roman or Paul Martines for scheduling info and to volunteer .

***Respectfully Submitted: Cdr Paul Martines***

## Education Officers

**SEO P/C Will Benny, SN-CN**

**ASEO P/C Don Roman, P**

ASEO P/C Don Roman reports that we are planning the Fall class schedule, which will be posted on the website when available. We are looking for an assistant to help teach the ABC3 Safety Class - our public safety course. Let Don know if you are interested. We need another instructor to share the responsibility of teaching the classes.

***Respectfully Submitted: SEO P/C Will Benny, SN-CN and***

## Administrative Officer

**Lt/C Gary Foster, P**

Greetings again from the Fosters in Europe. We will be home later this month, so Sharon Neitzey is reporting for us.

Our August Casual Dinner will be August 17 at 6:30 at Crave's Coastal Kitchen at 2000 So. Oceanshore Blvd. in Flagler Beach. See the flyer on p. 8 for information. RSVP to Sharon Neitzey (386-290-1243 or sneitzey@aol.com ) by August 14 so the restaurant can prepare. Thank you.

We had a nice dinner at Rossi's Sidestreet Café in July. The Rossi's gave a donation back to our squadron. Many of the members also enjoyed wonderful homemade ice cream at Neighbor's Ice Cream Shop afterward.

Some of our members also shared lunch July 29 at Off the Hook in Ponce Inlet following a morning of performing Vessel Safety Checks on Disappearing Island. Don Roman reminds us that we need additional Vessel Examiners.. What a fun way to combine good friends, good food, and good works.

Looking ahead, we will host another fundraiser at McKenna's, Port Orange, on August 28 from 5-8. This is a great way to help finance our squadron with outside funds, so please support us by attending and bringing other guests.

Enjoy the rest of your summer and we'll see you at the Ocean Center for the Daytona Boat Show Sept. 8-10, at the September 21 dinner meeting at the Trails North 40, and at the District 23 Fall Conference in Daytona the last weekend in September. Lunch Bunch will meet August 8 at San Diego Grill at 11:30.

***Respectfully Submitted: Lt/C Sharon Neitzey & Lt/C Gary Foster***

**Treasurer**  
**D/Lt/C Steve Becker, AP**

The Squadron's Sales and Use Tax form (DR15EZ) was filed for the first half of 2023. Taxes paid were \$25.83. There have been no other expenditures or receipts so far this month.

***Respectfully Submitted: D/Lt/C Steve Becker, AP***

**Secretary**  
**D/L/C Sharon Neitzey**

Please contact me (sneitzey@aol.com or 386-290-1243) with any corrections or questions regarding the minutes that were sent last week. Also, let me know if you have photos or items of interest that you feel should be included in our newsletter. I will need all information for the September Beachcomber by August 25. Thanks for your help.

***Respectfully Submitted: D/L/C Sharon Neitzey***

**DISTRICT 23 NEWS**

**MAKE YOUR ROOM RESERVATIONS NOW!**

Our local Daytona Squadron is hosting our D23 Fall Conference Sept. 29-Oct. 1 at the Holiday inn Beachside, 930 N. Atlantic Ave. (same venue as last Fall). We would love to have great participation from our local members, since we are hosting the event. See the flyer in this publication on p. 9 for more info.

Make your reservations now if you intend to stay at the hotel. It is a beautiful beachfront venue with easy beach access and a great outside bar and deck. Deadline for the negotiated price for squadron members is August 30! Link and phone number for room registration is in the flyer. Registration information for specific meals, parties, etc. will be sent out soon.

***Respectfully Submitted:***  
***D/P/C Jeff Wise, JN & D/L/C Sharon Neitzey***

## NEW MEMBER BENEFITS

Two new benefits have been added to the extensive list of member benefits available to USPS members. See the Member Benefits page for USPS.

### BoatFix.com

**24/7 third party monitoring** essential functions of your boat every 60 seconds.

**24/7 Alarm response**

Alarms? Problems? Don't worry the Boat Fix team is on it around the clock. Let us handle the stress.

**24/7 mechanical support**

Engine problems? Free telephone access to experienced Boat Fix technicians for immediate assistance.

**24/7 GPS tracking**

Secure your boat against unauthorized use and theft.

America's Boating Club Members save \$20 on the cost of the device with the purchase of a 1 year subscription. Call 844-340-3500 to join with the U.S. Power Squadrons Special Officer.

LightStream, the nation's premier online consumer lender, offers fast and easy low-interest financing for any boat, with no age or model restrictions (plus, there's no inspection required). Good-credit customers can get funds up to \$100,000 as soon as the same day if all conditions are met.

Apply online using a quick application process and receive your funds without leaving the house. It's fast, easy, and there are no fees, prepayment penalties, or home equity requirements.

---

## Get ready for hurricane season

Ready or not, hurricane season officially starts June 1. Experts encourage residents of hurricane prone areas to start preparing now. If you boat in hurricane-affected areas, follow these recommendations when securing your boat for a storm:

Remove trailer boats from the water. Take them home or to an area elevated above the anticipated storm surge. Consider [storing trailer boats](#) in a garage.

- Choose a location free of trees, overhead wires and other potential dangers when storing boats on land. Avoid areas prone to ground saturation, because shifting ground can topple boats.
- Strap boats to the ground when possible.
- Reduce a boat's surface area—whether it's stored on water or land. Remove all covers, dodgers, canvas, biminis and gear stored on deck, including dinghies, small outboard motors, spare sails, and fuel containers. Remove all sails from the rigging.
- Consider removing expensive electronics and storing them at home.
- Close all through-hull valves (except auto bilge drains or other deck drains).

Ensure that all [batteries](#) are fully charged. Turn off all electronics except for automatic bilge pumps.

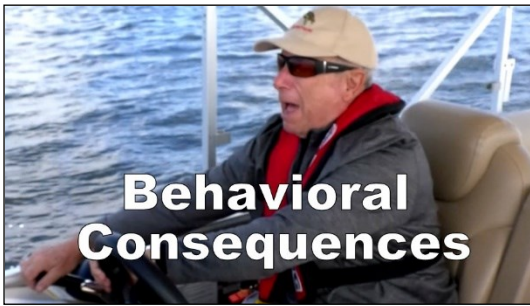

- Close and secure all ports, windows and hatches as well as all vents and dorade boxes to engine spaces.
- Add extra dock lines. Use as many cleats as possible to distribute the forces on these lines to a larger area. Secure some heavy lines to pilings, allowing for tide and storm surge.
- Keep lines from the boat to floating piers as tight as possible. Tighten again after the lines are wet. The shock load of lines pulling on cleats is what usually causes their failure.
- Add chafing gear on dock and mooring lines where needed, especially if the lines go through chocks. The heavy strain placed on these lines significantly increases the amount of wear on them.
- Put out all your fenders, even if your boat is in a slip with no other boats beside you.
- Check your insurance policy, and keep it in a safe place.

—John Schwab

United States Power Squadrons®  
2023

## America's Boating Channel Reminder: Knowledge of the Navigation Rules Helps Prevent Boating Accidents

Knowledge of the rules of navigation helps prevent boating accidents. If you need a refresher before getting out on the water, you can access an invaluable library of videos produced by

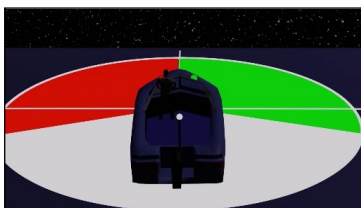

America's Boating Channel. These videos are available to USPS members to view and download for free at [bit.ly/USPSABC](http://bit.ly/USPSABC). There is an index to help you find exactly what you need, which is very convenient for instructors who want to use these videos in the classroom without the need for an internet connection.

For example, Season Four's "[Behavioral Consequences](https://www.youtube.com/watch?v=yWq-jshx8yU&t=44s)" (<https://www.youtube.com/watch?v=yWq-jshx8yU&t=44s>) video covers the importance to recreational boat operators of having a working knowledge of the navigation rules. Viewers learn about the dangers of not following the rules of the road. Also featured are tips for responsible boating. Boating responsibly can lead to lasting memories, while bad boating behaviors can cause issues ranging from mere embarrassment to major catastrophe.

America's Boating Channel™ produced a sequel to this video in Season Five titled "[Collision Avoidance](https://www.youtube.com/watch?v=7cXv6s7wqjE&t=1s)" (<https://www.youtube.com/watch?v=7cXv6s7wqjE&t=1s>), which covers the most basic and essential navigation rules. Viewers learn how to determine stand-on and give-way vessels in various circumstances. It also features tips for steering clear of potentially dangerous situations. For example, at night not using navigation lights or not learning how to interpret them can lead to incidents with more serious outcomes than during the day. Again, these two videos are good refreshers before visiting your local waterway at a time of year when it will be most crowded.

You can follow the above links or visit <https://www.youtube.com/@AmericasBoatingChannel> to find these and other safe boating videos, which also are an excellent tool to help recruit participants to our educational program and to membership. Invite your friends and neighbors to watch, like and subscribe to America's Boating Channel to introduce them to what our organization has to offer.

In

**Thank you to P/C Debra Allen, AP  
Communications Liaison  
America's Boating Channel™  
for sharing this information.**

## VESSEL SAFETY CHECK (VSC)

A major component of a fun filled outing is a reliable boat which has all the necessary equipment operating properly. A free vessel safety check (VSC) is an important safe-guard, and our certified examiners will be happy to perform the check for you. There are no negative consequences if you don't pass. Our goal is simply to help make boating as safe as possible for you, your family and your friends, through education.

The United States Power Squadrons and the U.S. Coast Guard Auxiliary are partners in this valuable program offered to the boating public. All examiners are certified and trained on the latest requirements. The Vessel Safety Check is similar to the review that is performed by the U.S. Coast Guard if you are boarded, except that it is the results.

### **Our Vessel Safety Examiners will perform a 15 point safety check which includes:**

Display of Numbers	Registration/Documentation	Visual Distress Signals (VDS)
Personal Flotation Devices (PFD)	Fire Extinguishers	Ventilation
Backfire Flame Control	Sound Producing Devices	Navigation Lights
Pollution Placard	MAR POL Track Placard	Marine Sanitation Devices
Navigation Rules	State and/or Local Requirements	Overall Vessel Condition

**To schedule a Vessel Safety Exam, you may contact any of our Daytona Beach Squadron examiners in any of these area's:**

Jeff Wise	386-299-4536	Daytona Beach
Paul Martines	386-451-4575	Daytona Beach / Holly Hill
Don Roman	386-453-6456	Ormond Beach / Daytona Beach
Will Benny	386-265-5180	New Smyrna Beach / Edgewater
Ron Radford	515-236-8206	Palm Coast / Flagler
Tim Henke	352-483-6000	Lake / Marion / Seminole Counties

Vessel Examiners P/D/C Don Roman and P/D/C Jeff Wise spent a recent Saturday morning performing Vessel Safety Checks at Disappearing Island. Boaters were very grateful for the service.

Our July Casual Dinner was held at Rossi's Sidestreet Café in Port Orange. After dinner, many of our group drove to nearby Neighbor's Ice Cream Shop for some delicious homemade ice cream.
