This is a shortened report this month due to hurricane issues. We hope everyone is safe and returning as much as possible to normal after Ian. I attended the National Governing Board in Raleigh with Jeff Wise and Ron Radford. There were many interesting discussions, which will be covered at the Fall Conference next week. I encourage everyone to attend the meetings on October 8.

Thank you to Don and Becky Roman for organizing and setting up for the Boat Show. Thanks to the Zahornackys for packing and taking everything back and to all who helped man our booth. We were a presence there and were able to interest several people in Vessel Safety Checks or upcoming classes.

The picnic at Hontoon Island was a big success. We had beautiful weather and lots of delicious food. Thanks to all who participated.

We have checked procedures for absorbing the Auxiliary into the Squadron and will vote at our next Executive Meeting. It would function as a Hospitality Committee under the Admin Department leadership and budget, and can continue the Lunch Bunch and service activities.

The storage space has been emptied and Greg and Christine have offered space in their personal unit. We will move everything after the Fall Conference.

Respectively Submitted: Cdr. Paul Martines, JN

Our squadron is currently in third place for Vessel Safety Checks in 2022. We are very close to second place!

Looking forward to seeing everyone aboard Never Better for brunch on October 22 from 10-12 a.m. Contact Christine 386-847-1094 to RSVP.

Respectfully Submitted: Lt/C Greg Zahornacky, P

Administrative Officer

Lt/C Gary Foster, P

Our squadron kicked off our fall season with a promotional booth at the Daytona Fall Boat Show, a tasty pizza buffet at Louie's Pizza, and finally, a memorable picnic at Hontoon Island. If you missed any September activities, you can still look forward to additional events this year.

We encourage our members to attend our District 23 Fall Conference at Holiday Inn North, 930 N, Atlantic Ave., Daytona Beach, on October 7-9. Friday night is a 70's Beach Party and our district meetings and dinner/dance take place on Saturday. We are the only squadron that doesn't have to travel, so we hope to see members there, especially for the Saturday meetings.

October promises you a delicious meal at our monthly dinner meeting, which will be hosted by Houligans on International Speedway Blvd. Reserve your October 20, 6:30 seating soon. Look for our custom menu and prices in this month's Beachcomber. Our speaker has not yet been confirmed so look for upcoming email announcements.

Last but not least, it's time for a return to Saturday Morning Coffee on board the NEVER BETTER. Greg and Christine look forward to seeing you around 10 a.m., October 22. Bring your favorite doughnuts if you like, or just enjoy some of my Krispy Kremes.

Save the Date! Clear your calendar for our noon Holiday Luncheon on December 11 at the Palmetto Club. Look for details in future communications.

To reserve your place at Houligans this month please call me at 706-255-3007 or email garyeugenefoster@gmail.com. ☺

MINUTES from the USPS DAYTONA EXECUTIVE MEETING

Respectfully Submitted: Lt/C Sharon Neitzey

The Executive Committee meeting was held at the Halifax River Yacht Club in Daytona Beach. The following members of the Executive Committee were in attendance; Cdr. Paul Martines, D/C Jeff Wise, JN; P/C Don Roman, AP; Lt/C Sharon Neitzey; D/Lt/C Steve Becker, P; and Connie Daniels.

The meeting was called to order at 7:00 p.m. Minutes from the previous meeting are available in the Beachcomber. Minutes were approved with no changes.

Executive Officer Report: Paul Martines reported for Greg Zahornacky. Our squadron has 68 Vessel Safety Checks so far for 2022. District has 396. We are currently third in District 23, and close to second place. We are looking into examining Freedom Boat Club boats but must find out if it is legal. Also looking into a liaison with Freedom Boat Club for boat usage, both locally and nationally, and possibly coupling it with an ad in the Beachcomber. We need additional Vessel Examiners.

Boat Show Committee: Don Roman is scheduling workers. Contact him if you can help. Booth is 10 x 10 with a table and table cover. Background is draped. There are two chairs and no electricity. We will have limited help because of many executive officers travelling that week. Set-up will be done Thursday afternoon by Becky Roman and Ermit Zapada. Friday show is from 10-4. Ermit will handle that with Connie Daniels. Saturday we have Frank and Sharon Neitzey, as well as Lisa Smith and Tom and Genevieve Boles until 2, followed by Tim and Cathy Henke. Sunday we have Joe Lockett and Connie Daniels, followed by Greg and Christine Zahornacky, who will close up and carry materials back to storage. All handouts are organized and ready. Signup sheets for ABC3 class will be available in booth. Class will be October 15 and 22. There are also a few giveaways. Discussed possibility and structure of raffle of basket. Decided to save the baskets for Fall Conference.

Education Officer Report: Don announced that the Advanced Marine Navigation online class is beginning October 5 from 7:30 to 9:30 on Go To Meeting and will last from 12-15 weeks. The ABC3 class will be held October 15 and 22. We will put out flyers and signup sheets at the Boat Show.

MINUTES (Continued)

Administrative Officer Report : In Gary Foster's absence, Paul announced that on Sept. 22 we will have our Squadron dinner meeting at Louie's Pizza, Beville Road, at 6:30. We also have a picnic planned at Hontoon Island for September 24. Come by boat or car. You must take the park ferry to get to the island. Drinks, meats, beans, and coleslaw will be provided. Members can bring a side dish or dessert if they wish. Paul or Gary will send out emails and we will announce the picnic at the dinner meeting. RSVP for Louie's Pizza to Sharon Neitzey by Tuesday, September 20. Email, text, or call. We need a speaker for October meeting at Houligan's. Jeff and Paul will speak at our September dinner. Don will check into Marine Discovery Center, NSB, and Marine Science Center in Ponce Inlet for speakers

Auxiliary Report: The Executive Committee decided last month to research assimilating the Auxiliary into the squadron. The plan is to create a Hospitality Committee under the auspices of the Admin Officer to incorporate and centralize all hospitality and current social and service activities under the Administration Department to simplify procedures, accounting, and governance. After researching proper procedures, the committee's plan was to vote at the September Executive Meeting on the restructuring of the Auxiliary. We did not have a quorum to take that vote, so the motion will be voted on next month at the Executive Committee meeting. Connie is in the process of making two baskets, which will be raffled at the D23 Fall Conference. Next Lunch Bunch is September 13 at the Daily Grind, Ormond. After that, Connie will be away for most of the remaining Lunch Bunch gatherings this year, due to work/travel

Treasurer Report: Steve Becker reported our current balance. Storage unit empty. Paul will ask Greg if we can use part of his. We still don't have a budget as some officers haven't submitted input. We might have to adjust numbers. When people charge payments, notify Steve of who charged and for what.

Square does not provide him with that information. Need to order another Square device. Discussed what some of charges were. Discussed if we want to continue Go To Meeting and decided we don't need it. We can use district password. Monies have already been moved from Auxiliary to Squadron budget. Steve will need to change name in budget from Auxiliary to the Hospitality Committee. Paul mentioned that we will need to gather supplies and materials (raffle tickets, decorations, etc.) from Auxiliary and give them to Admin Department so they can be used as needed by Hospitality Committee. Admin will be responsible to bring everything to meetings and assign helpers. .

Secretary Report: Sharon Neitzey asked that Committee Reports for the October Beachcomber should be sent in by September 25. Chris asked for candid pictures from our activities to be sent to her by that same date. We are working hard on Fall Conference plans and may need some help with decorations for that event. We are also looking for two low beach chairs to borrow for display.

Commander Report: Paul Martines reminded us about National Governing Board Meeting in Raleigh, NC, September 11-18. As of now, Paul, Jeff, and Ron are going. The Boat Show is scheduled for September 16-18 at the Ocean Center. We need a group to man the booths. Don will make a schedule to man and help setting up the booth, but he will be out of town that weekend. Paul announced that he has researched proper method for dissolving Auxiliary and had planned to vote tonight. Because we don't have a quorum, we will vote next month. He reminded us of the Upcoming District 23 Fall Conference on Oct. 7, 8, and 9. Jacksonville will handle actual setup for the conference, but we are their local emissaries. Need head count for Hontoon picnic by September 20. Call or email Sharon Neitzey (386-290-1243 or sneitzey @aol.com), since Gary is out of town. Paul will need help with setup for picnic about 10:00 at Hontoon Island. Please let him know if you can help. Paul also mentioned that we will have some new expenditures coming because of name change and logos.

District Commander Report: National Governing Board is in Raleigh, NC, Sept. 11-18. The Fall Conference is Oct. 7-9. Jacksonville is in charge, but we are the local emissaries. We need everyone to come, at least for Saturday. We especially need good turnout for Saturday dinner. Reserve dinner and hotel by September 10. Call Sharon 386-290-1243 and mail reservation with payment right away. We must give them final number on September 12. They will not prepare extra meals. Jeff asked for ideas for morning meeting. He's thinking about asking for suggestions of favorite events from each squadron, overview of National, cybermembers, VSC at island, etc. Need to work on process for paying online and publicizing it. Also need to work on raising funds for squadron.

Old Business: Storage unit emptied. Need new place for supplies and need ideas for raising funds for squadron.

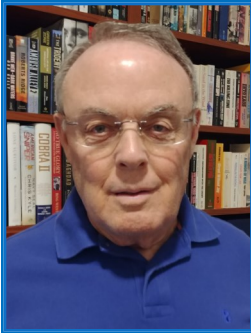

New Business:

Next Executive Meeting: October 13, 2022, HRYC, 7:00 p.m.

Next Membership Dinner Meeting: September 22 at Louie's Pizza, 6:30

Meeting Adjourned 8:15 p. m.

VESSEL SAFETY CHECK (VSC)

A major component of a fun filled outing is a reliable boat which has all the necessary equipment operating properly. A free vessel safety check (VSC) is an important safe-guard, and our certified examiners will be happy to perform the check for you. There are no negative consequences if you don't pass. Our goal is simply to help make boating as safe as possible for you, your family and your friends, through education.

The United States Power Squadrons and the U.S. Coast Guard Auxiliary are partners in this valuable program offered to the boating public. All examiners are certified and trained on the latest requirements. The Vessel Safety Check is similar to the review that is performed by the U.S. Coast Guard if you are boarded, except that it is the results.

Our Vessel Safety Examiners will perform a 15 point safety check which includes:

Display of Numbers	Registration/Documentation	Visual Distress Signals (VDS)
Personal Flotation Devices (PFD)	Fire Extinguishers	Ventilation
Backfire Flame Control	Sound Producing Devices	Navigation Lights
Pollution Placard	MAR POL Track Placard	Marine Sanitation Devices
Navigation Rules	State and/or Local Requirements	Overall Vessel Condition

To schedule a Vessel Safety Exam, you may contact any of our Daytona Beach Squadron examiners in any of these area's:

Jeff Wise	386-299-4536	Daytona Beach / Port Orange
Paul Martines	386-451-4575	Daytona Beach / Holly Hill
Don Roman	386-453-6456	Ormond Beach / Daytona Beach
