COMMANDER Paul Martines, JN

The Squadron is having our Change of Watch on Sunday, April 7th, 2024, at 1 p.m.. This is a great opportunity for members to see the swearing in of all the new Bridge Officers, Executive Board Members and Committee Members who have been elected to office. We have a full slate of officers for the bridge this coming year. I would like to thank P/D/C Jeff Wise for all his hard work in getting all the Bridge Officers' jobs filled. We are looking for a few volunteers to be members of the Executive Board and to fill empty positions on committees. Please contact P/D/C Jeff Wise Ph 386-299-4536 e-mail: jeffwise63@gmail.com or Cdr Paul Martines if you are interested in helping.

We have our McKenna's restaurant fundraiser Monday, April 22nd, from 5 to 8 p.m. We also have our District 23 Spring Picnic at Bing's Landing Park, Flagler County, on April 27th from 11:00 to 3:00pm. Let's have a great turnout from our squadron.

Respectfully Submitted: Commander, Paul Martines, JN

Executive Officer Report

At this time our squadron has completed 20 Vessel Safety Checks. Don Roman and Jeff Wise met with members of the Palm Coast Yacht Club who docked last weekend at Daytona Harbor Marina. While they were visiting, Don and Jeff performed VSC's on several of their vessels. We are planning a day at Disappearing Island during National Safe Boating Week to offer VSC's to local boaters. Jeff, Paul, and Don will need additional Vessel Examiners, so contact them if you can help on Saturday, May 18, from 9 to 1.

Respectfully Submitted: Commander, Paul Martines, JN

Please contact me (sneitzey@aol.com or 386-290-1243) with any corrections or questions regarding the minutes that were sent for the March Executive Meeting. Also, let me know if you have photos or items of interest that you feel should be included in our newsletter. Please send photos to Christine Zahornacky. We will need all information and photos for the May Beachcomber by April 25. Thank you.

District 23 News

Our District 23 Picnic will be held at Bing's Landing, Flagler County, on April 27 from 11 to 3. See the flyer on page 11 for details. Let's have a great representation from our Daytona Squadron.

Jan Spencer from the Jacksonville Squadron has worked very hard to resurrect our District 23 Newsletter, The Galaxy, which will be published three times each year. Go to our local website, www.abcdb.club, and click on the link for the Galaxy on the front page. That will take you to the newsletter to get to all the District 23 news and activities. https://www.abcdb.club/uploads/1/3/7/6/137609902/galaxy_spring_2024__3_.pdf

Our squadron has been invited to submit news and photos for the publication. Send you submissions to me and I'll be sure to get them to her. Thank you, Jan, for all your hard work!

Newly installed District 23 Commander Gary Callahan will make the trip from Jacksonville to be on hand at our Change of Watch in April 7 to install our incoming Bridge Officers. Be sure to welcome him.

Cocoa Squadron will be hosting the D23 Fall Conference. They are in the process of working out the details. We will publish information as it is finalized.

To echo an old John Denver classic, "I'm leavin' on a jet plane. Don't know when I'll be back again." While I truly am leaving on a jet plane very soon, I do know that I'll be back for the April 7 CHANGE OF WATCH. I trust you have sent your registration form by now and submitted it to Sharon Neitzey.

I hear the squadron dinner at Red Lobster was well-attended with 23 people whom I hope will also support the CHANGE OF WATCH with their presence. Thanks to our speaker, Lorelei Rose, for an interesting presentation on her company, which helps with all aspects of private cruise planning. Congrats to her for winning the 50/50 and thank you for donating the proceeds back to our squadron! See you all soon!

Respectfully Submitted: Lt/C Gary Foster, P

SAVE THE DATE

OUR SQUADRON CHANGE OF WATCH IS NEXT SUNDAY!

WE HAVE A FEW OPENINGS! COME JOIN US!

Our Daytona Squadron Change of Watch is planned for April 7 at 1:00 p.m. at Halifax Marina Boat Club. Price is \$35 for an elegant catered luncheon (gratuity included). Thank you to Gary and Kathleen for planning this. See the flyer on p. 7 for information and [RSVP TODAY!](#)

The Change of Watch is our most important event of the year. We will have our District 23 Commander, Gary Callahan, with us to swear in the Officers. Dress is Class A uniforms or shirts, ties, suits or sport coats for the men and comparable dressy clothing for the women—dresses or dressy pants and tops work well. The event is from 1-3 p.m. From I95 Go E. on Hwy 92, So. On Beach St., Entrance to Marina is through large arch on left.

Our next ABC3 class will be held April 6 and 13 at Halifax River Yacht Club. Contact Don Roman, (386) 453-6456 or andanteroman@mac.com if you are interested or need more details.

National Safe Boating Week is approaching, May 18-24, with the continuing theme of “Lifejackets, Just Wear IT!” One of the primary missions of our Club is to promote safe Boating Practices and High levels of Seamanship. We don’t have to wait until May to emphasize these, Safety and Seamanship need to be a part of our everyday routine anytime around we’re around boats and boating. Safe passages.

EXPLANATIONS OF SOME OF OUR ABC BOATING COURSES

Thank you, Don Roman, for compiling and simplifying this information for us.

BOAT HANDLING (SEAMANSHIP)

Members should know that Boat Handling (Seamanship) follows the ABC3 class for more in-depth discussion of topics. The 2019 Boat Handling curriculum comprises a full six-part [Boat Handling Course](#) and six seminars:

[Rules of the Road: A Practical Approach](#)

[Confidence in Docking and Undocking: Slow-Speed Maneuvering](#)

[Boating with Confidence: Handling Your Boat Underway](#)

[Anchoring with Assurance: Don't Get Carried Away](#)

[Emergencies on Board: Preparation to Handle Common Problems](#)

[Knots and Line Handling: The Knots You Need to Know](#)

Students who complete the 2019 Boat Handling course and pass the exam will receive credit for the Boat Handling course and earn the Seaman grade. They will also receive seminar credit for each of the class sessions attended. Class materials can be either e-book, or printed at \$65 per student. [If you are interested in taking this course, please contact Don Roman, 386-453-6456, or email: \[andanteroman@mac.com\]\(mailto:andanteroman@mac.com\).](#)

MARINE NAVIGATION (PILOTING)

[Marine Navigation](#) is the first of the navigational classes focusing on techniques for piloting a boat in coastal and inland conditions. The course emphasizes planning and checking along with the use of GPS and other electronic systems for determining position, and introduces digital charting along with traditional charting, compass and dead reckoning skills. Plotting, use of the compass, aids to navigation, electronic tools and a host of related topics are included in this all-new approach to coastal, inland and river piloting. This course uses the [Bowditch Bay Practice Chart](#), [4x15 plotter](#), and [dividers](#), which must be ordered separately. If you are interested in taking the first Navigation class, contact Don Roman. This course takes about 8-10 weeks if class is one night a week, and entails substantial homework. Cost is \$65 per student.

Contact Don Roman at (386) 453-6456 with questions. He will be teaching the ABC3 Basic Class on April 6 and 13 at Halifax River Yacht Club. Contact him if interested.

VESSEL SAFETY CHECK (VSC)

A major component of a fun filled outing is a reliable boat which has all the necessary equipment operating properly. A free vessel safety check (VSC) is an important safe-guard, and our certified examiners will be happy to perform the check for you. There are no negative consequences if you don't pass. Our goal is simply to help make boating as safe as possible for you, your family and your friends, through education.

The United States Power Squadrons and the U.S. Coast Guard Auxiliary are partners in this valuable program offered to the boating public. All examiners are certified and trained on the latest requirements. The Vessel Safety Check is similar to the review that is performed by the U.S. Coast Guard if you are boarded.

Our Vessel Safety Examiners will perform a 15 point safety check which includes:

Display of Numbers	Registration/Documentation	Visual Distress Signals (VDS)
Personal Flotation Devices (PFD)	Fire Extinguishers	Ventilation
Backfire Flame Control	Sound Producing Devices	Navigation Lights
Pollution Placard	MAR POL Track Placard	Marine Sanitation Devices
Navigation Rules	State and/or Local Requirements	Overall Vessel Condition

To schedule a Vessel Safety Exam, you may contact any of our Daytona Beach Squadron examiners in any of these area's:

Jeff Wise	386-299-4536	Daytona Beach
Paul Marines	386-451-4575	Daytona Beach / Holly Hill
