The USPS National Annual meeting in Orlando will be held at the Rosen Plaza Hotel February 3 through 11. The District 23 Spring Conference and Change of Watch will be held in Jacksonville Beach from February 23-25. I would like to see some of our members attend these events to see how our organization operates at different levels. Information on the Annual National Meeting is on USPS website <https://www.usps.org>. Go to MEMBER HOME. Flyers on the District Change of Watch are included in this newsletter on pages 17/18. Please contact Sharon Neitzey ASAP for registration for the district event.

Our local Daytona Squadron is looking for a few volunteers to fill our positions on the Bridge and for the Executive Board. Please contact Jeff Wise (386-299-4536), or me (451-4575) if you are interested in one of the positions. The Squadron Change of Watch luncheon is scheduled for April 7th, 2024. It will be held at the Boat Club of Halifax Harbor Marina. More information will follow soon. Please read through this issue and pay attention to the calendar of upcoming events.

Respectfully Submitted: Commander, Paul Martines, JN

Executive Officer Report

Merit Marks

We had 22 members participate in Merit Marks. Congratulations to all for your help and participation. Please keep track of your volunteer activities for this year to turn in to our Merit Mark Chair at the end of 2024. We appreciate all you do to contribute to our squadron goals.

Merit Mark Chair: Cdr. Paul Martines, JN

Treasurer D/Lt/C Steve Becker, P

Florida Sales Use Tax for the second half of 2023 has been filed (DR15EZ) and paid (\$11.20). The Florida Annual Corporate Report has been filed for 2024 and the fee (\$61.25) paid. Expenditures for the Christmas Party in December 2023 were \$403.83, and proceeds were \$410.00 for a net gain of \$6.17. 50/50 proceeds for the January dinner meeting were \$35.00. We also deposited \$138 from Don Roman to pay for books for the January ABC3 class. \$180.00 has been paid to Flagler County (security/cleaning deposit and alcohol permit) for the April 27 picnic at Bing's Landing. \$100.00 of the deposit will be returned after the picnic site has been cleaned up. D-23 will pay the \$80.00 balance to our Squadron after the picnic. \$337 will be deposited from our recent McKenna's Fundraiser. Thanks to all who supported our efforts.

Respectfully Submitted: D/Lt/C Steve Becker, P

Secretary D/L/C Sharon Neitzey

Please contact me (sneitzey@aol.com or 386-290-1243) with any corrections or questions regarding the minutes that were sent for January. Also, let me know if you have photos or items of interest that you feel should be included in our newsletter. I will need all information for the March Beachcomber by February 25. Thank you.

DISTRICT 23 NEWS

We held the D23 Winter Council Meeting at the Boat Club at Halifax Marina on January 13. All D23 squadrons had representation. We decided to help subsidize the D23 Change of Watch conventions so the financial burden doesn't fall on one squadron. We decided to hold the D23 picnic on April 27 at Bing's Landing in Flagler County. More info will follow later on that. Start planning now to attend our D23 Spring Change of Watch, which will be held February 23-25 in Jacksonville Beach at the Hampton Inn Beachfront. We will install the new D23 Bridge Officers. Come get to know the members of our nearby squadrons and share ideas, experiences, and a common purpose. More information is on p.18 -19. Please mail your registration for the conference events to me by Feb. 10. Save the date! ***Respectfully Submitted: D/L/C Sharon Neitzey***

Lt/C Gary Foster, P

Administrative Officer

I can't believe this first month of the new year is a thing of the past... as are some of our well-intentioned New Year's resolutions. One resolution I hope will not fall to the wayside is our members' continued support of America's Boating Club. Your attendance and active participation are critical in sustaining our goals of safe, fun, and well-informed boating.

January's squadron meeting provided some informative insights into the perils of navigating Ponce Inlet and St. Augustine Inlet. Don Roman's Power-Point video was a presentation of Steve Troletti's America's Boating Channel drone footage of safe passage through the two inlets. The video was made possible in part by Skippers Peter Singh and Jeff Wise, who piloted the boats from which video highlights and narration were planned.

In a similar vein, February's speaker, David Carson from Ameriprise, will be informative. He will provide us with some financial guidance to help us manage squadron and personal savings effectively as we navigate challenging economic waters.

Appropriate to February's VALENTINE theme, we will gather at Red Lobster on the 15th with a 6:30 ETA. And as usual, let me know if you can come (706-255-3007). There is a flyer on p.7 with information. Someone who couldn't come last month was Leon Jones, who missed out on \$100 in the LUCKY STAR drawing. But more than that, we missed you, Leon. Don't miss out in February when the pot goes to \$125!

One member who didn't miss out was Steve Becker, who won the 50/50. He generously "reinvested in the company." Thank you, Steve. Investing your time, talent, and resources in an enterprise that offers such good returns as America's Boating Club is always good business. Make it yours.

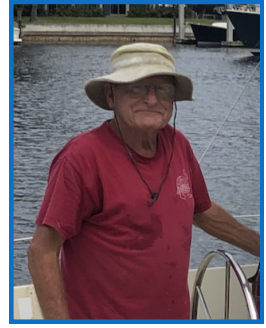

Respectfully Submitted: Lt/C Gary Foster, P

SAVE THE DATE

Our Daytona Squadron Change of Watch is planned for April 7 at 1:00 p.m. at Halifax Marina Boat Club. Price is \$35 for a full luncheon. Thank you to Gary and Kathleen for planning this. More information will follow soon.

Five new graduates of the ABC3 Boating Safety Course were added on January 27, 2024. After the class was completed, Jeff Wise and Sharon Neitzey provided an introductory boat ride on the Halifax River to allow the new graduates a first-hand look at some of the materials from the course. They also had a chance to drive the boat.

The next ABC3 will probably be in late March or April of this year. Anyone interested in a Navigation 1 class? If you are, please contact Don Roman and let him know. If there is some interest, we may start a class in March. This is an 8-10 week course (classes are once a week for two hours,) with homework assignments each week. We are still looking for someone who wishes to help teach classes. If you are, please contact Don R., andanteroman@mac.com, ph 386-453-6456.

Thank you, Don, for all you do. Members, let's try to get him some help. Anyone who has taken a course from Don knows how interesting it is.

VESSEL SAFETY CHECK (VSC)

A major component of a fun filled outing is a reliable boat which has all the necessary equipment operating properly. A free vessel safety check (VSC) is an important safe-guard, and our certified examiners will be happy to perform the check for you. There are no negative consequences if you don't pass. Our goal is simply to help make boating as safe as possible for you, your family and your friends, through education.

The United States Power Squadrons and the U.S. Coast Guard Auxiliary are partners in this valuable program offered to the boating public. All examiners are certified and trained on the latest requirements. The Vessel Safety Check is similar to the review that is performed by the U.S. Coast Guard if you are boarded, except that it is the results.

Our Vessel Safety Examiners will perform a 15 point safety check which includes:

Display of Numbers	Registration/Documentation	Visual Distress Signals (VDS)
Personal Flotation Devices (PFD)	Fire Extinguishers	Ventilation
Backfire Flame Control	Sound Producing Devices	Navigation Lights
Pollution Placard	MAR POL Track Placard	Marine Sanitation Devices
Navigation Rules	State and/or Local Requirements	Overall Vessel Condition

To schedule a Vessel Safety Exam, you may contact any of our Daytona Beach Squadron examiners in any of these area's:

Jeff Wise	386-299-4536	Daytona Beach
Paul Martines	386-451-4575	Daytona Beach / Holly Hill
