COMMANDER Paul Martines, JN

The Daytona Squadron had our Change of Watch on Sunday, April 7, 2024. D/C Gary Callahan swore in a full slate of officers for the Bridge. Thank you to P/D/C Jeff Wise for his hard work in filling the Bridge positions. I would also like to thank Lt/C Greg Zahornacky for stepping back into our Executive Officer position.

We are looking for a few volunteers to be members of the Executive Board or to fill vacancies on committees. Please contact P/D/C Jeff Wise Ph 386-299-4536, e-mail: jeffwise63@gmail.com or Cdr Paul Martines if you are interested in helping. We send special thanks to Gary and Kathleen Foster for organizing the event and to Greg Zahornacky who provided the music.

We had a good showing of Daytona Squadron members at the McKenna's Restaurant fundraiser Monday, April 22. We raised \$438 in just a few hours.

We had a wonderful day for the District 23 Spring Picnic at Bings Landing Park in Palm Coast on Saturday, April 27. It was great to have so many Daytona Squadron members joining in the fun. Thanks to all who helped.

Make sure you read through the upcoming Beachcomber issues and pay attention to the calendar of upcoming events. We would like to see increased participation in our various events and activities

Respectfully Submitted: Commander, Paul Martines, JN

Vessel Safety Report

We have (6) Vessel Safety Officers and we have completed (56) Vessel Inspections in 2024. We need additional Vessel Safety Examiners. Contact Don Roman if you are interested in being trained.

There was a notification of a mandatory workshop on the National website for Vessel Examiners to complete to keep up to date with changes on inspections. VSEs need to complete this so they can continue to do inspections.

Boat Show Report

The next Daytona Beach Boat Show is September 6th to 8th at the Ocean Center

**WELCOME BACK TO THE DAYTONA SQUADRON BRIDGE!
IT'S GREAT TO HAVE YOU BACK!
SEE GREG'S LETTER BELOW ABOUT RETURNING.**

I am very happy to be back and involved with the Bridge Officers for the DBSPS! As the Executive Officer I, will be lending all my support to the Commander and the dedicated team of the Bridge.

I would like to thank all of you for your support in my reinstallation as the Executive Officer and I appreciate the opportunity to serve.

As this is the first month of my position, I have no information to pass along to you at this time. We are now getting into the summer months and there will be no "general meetings" until the fall, but the Bridge will be meeting monthly as it has in the past. I will have more information to pass along in my capacity at the Executive Officer in the coming months.

On a personal note, my wife Christine and I look forward to having you over to "Never Better" for morning coffee, camaraderie, and conversation! If the weather is conducive, we will take "Never Better" out of her slip and do a morning ICW cruise. Our next "coffee aboard" will be on May 25th at 0900 hours. RSVP (386) 847-1094 by May 22.

Once again, thank you for your support, and if there is anything I can do for any of you, please feel free to reach out to me via email. I will be happy to help in any way that I can!

Have a wonderful and safe summer, and we hope to see YOU aboard soon!

Respectfully submitted,

Greg Zahornacky

What a fun-filled April we have had! The Change of Watch at the Daytona Boat Club welcomed new Bridge Officers. Our McKenna's fundraiser netted the squadron \$438-\$237 from restaurant sales, \$136 from the basket raffle and \$65 from 50/50. Thanks to all who participated. And to end the month, the D23 Spring Picnic at Bing's Landing was well-attended with fun and good BBQ had by all. May's warmer weather will find us at Red Lobster, ISB, for our regular 6:30 Squadron Dinner Meeting on the 16th. Our speaker will be Barbara Pucci, Manager of Halifax Harbor Municipal Marina. Please let me know by the 14th if you are attending so we can alert the wait staff.

We are considering the notion of holding ALL "regular" squadron dinner meetings at Red Lobster, so be prepared with any input on that plan that you might have. Our summer "off-season" casual dinner locations will vary. Check the calendar in the Beachcomber newsletters for times and dates. We will RSVP as usual so the restaurants will be ready.

SAVE THE DATE

SAFE BOATING WEEK IS COMING UP MAY 18-25. WE ARE PLANNING A DAY ON THE WATER ON SATURDAY, MAY 18. WE WILL MEET NEAR THE EAST END OF THE SMALL ISLAND IN THE CUT ACROSS FROM DOWN THE HATCH AT 9:30. WE WILL HANG OUT TOGETHER THERE. IF YOU ARE BRINGING A BOAT, PERHAPS YOU CAN CARRY A FEW PASSENGERS WHO CAN CHIP IN FOR FUEL. A FEW MEMBERS CAN WALK THE ISLAND AS AMBASSADORS, PROMOTING OUR SQUADRON, WHILE OUR VESSEL EXAMINERS ARE PERFORMING COMPLIMENTARY VESSEL SAFETY CHECKS ON OUR MEMBERS' BOATS AS WELL AS ON THE PUBLIC BOATS. WE WILL THEN HEAD TO OFF THE HOOK FOR LUNCH ABOUT 11:30. CONTACT JEFF WISE (386 299 4536) OR SHARON NEITZEY (386 290 1243) FOR INFO.

Treasurer D/Lt/C Steve Becker, P

D/Lt/C Steve Becker, P, reports that our treasury is stable. We had a substantial deposit of \$438 from the fundraiser at McKenna's. Thank you to Chris McKenna for sponsoring our dinners. Thank you, as well, to Kilman's Jewelers, Lee Nails, and Texas Roadhouse for their gift card donations for our raffle basket. We are still finalizing the financial accounting from our Change of Watch. Thank you to Gary and Kathleen Foster for chairing that event.

National Safe Boating Week is May 18 - 24, 2024 with the theme, “Lifejackets, just wear it!” One of our primary missions is to promote Safe Boating among our members and the general public. We do this through course work, seminars, Vessel Safety Checks, and most importantly by our members talking to others about boating, safe boating and what they could get from our organization. Get out and promote safe boating and our organization.

Seamanship (Boat Handling) Seminars are now available. Complete the series and you will become qualified as SN (Seaman) in our Club.

Members should know that Boat Handling (Seamanship) follows the ABC3 class for more in-depth discussion of topics. The 2019 Boat Handling curriculum comprises a full six-part [Boat Handling Course](#) and six seminars:

[Rules of the Road: A Practical Approach](#)

[Confidence in Docking and Undocking: Slow-Speed Maneuvering](#)

[Boating with Confidence: Handling Your Boat Underway](#)

[Anchoring with Assurance: Don't Get Carried Away](#)

[Emergencies on Board: Preparation to Handle Common Problems](#)

[Knots and Line Handling: The Knots You Need to Know](#)

Students who complete the 2019 Boat Handling course and pass the exam will receive credit for the Boat Handling course and earn the Seaman grade. They will also receive seminar credit for each of the class sessions attended. Class materials can be either e-book, or printed at \$65 per student. [If you are interested in taking this course, please contact Don Roman, 386-453-6456, or email: \[andanteroman@mac.com\]\(mailto:andanteroman@mac.com\).](#)

Our squadron could also use some additional ***Vessel Safety Examiners, instructors to assist in our courses, and one or two that might like to help with public communications, i.e, news, and commercial vendors.***

Interested in any of the above, please call Don Roman at: 386-453-6456, or email; andanteroman@mac.com

Secretary D/L/C Sharon Neitzey

Please contact me (sneitzey@aol.com or 386-290-1243) with any corrections or questions regarding the minutes that were sent for the April Executive Meeting. Also, let me know if you have photos or items of interest that you feel should be included in our newsletter. Please send photos to Christine Zahornacky at gandczee@gmail.com. We will need all information and photos for the June Beachcomber by May 25. Thank you. ***Respectfully Submitted: D/L/C Sharon Neitzey***

District 23 News

Our District 23 Picnic was held at Bing's Landing, Flagler County, on April 27. It was a beautiful day with 45 members attending and every District 23 squadron represented. Thank you to all who helped with setup, cleanup, and donations of food and beverages. Special thanks go to Kathleen Foster, Mary Vanatta, and Jan Spencer for helping with basket and 50/50 raffles, to Paul Martines for transporting materials and equipment, and to Jeff Wise for providing music and boat rides. Thanks to Steve Becker's guest, Rick Butler, who donated back part of his 50/50 winnings. It was a beautiful day of fun, food, and friendships.

The Cocoa Squadron will host the D23 Fall Conference. They are still looking for the perfect venue. Details will be published when available.

VESSEL SAFETY CHECK (VSC)

A major component of a fun filled outing is a reliable boat which has all the necessary equipment operating properly. A free vessel safety check (VSC) is an important safe-guard, and our certified examiners will be happy to perform the check for you. There are no negative consequences if you don't pass. Our goal is simply to help make boating as safe as possible for you, your family and your friends, through education.

The United States Power Squadrons and the U.S. Coast Guard Auxiliary are partners in this valuable program offered to the boating public. All examiners are certified and trained on the latest requirements. The Vessel Safety Check is similar to the review that is performed by the U.S. Coast Guard if you are boarded.

Our Vessel Safety Examiners will perform a 15 point safety check which includes:

Display of Numbers	Registration/Documentation	Visual Distress Signals (VDS)
Personal Flotation Devices (PFD)	Fire Extinguishers	Ventilation
Backfire Flame Control	Sound Producing Devices	Navigation Lights
Pollution Placard	MAR POL Track Placard	Marine Sanitation Devices
Navigation Rules	State and/or Local Requirements	Overall Vessel Condition

To schedule a Vessel Safety Exam, you may contact any of our Daytona Beach Squadron examiners in any of these area's:

Jeff Wise	386-299-4536	Daytona Beach
Paul Marines	386-451-4575	Daytona Beach / Holly Hill
